ASSURING QUALITY & BEAUTY AROUND THE WORLD

## SURANA FABRICATORS PRIVATE LIMITED

In the year 1989, we ventured into manufacturing and processing unit for the domestic market. In the year 1991 we imported Granite Gangsaw in the country for processing and exporting of Granite slabs. During this period we were very potential suppliers of Granite in India and especially in Bangalore.

Our future planning is to start fabrication of Kitchen platforms, Monument, Inlay Work, & Handicraft Items.
